

## TANUJ BIPIN PATIL

tanujpatil9561@gmail.com | (+91) 9561463418

### SKILLS

- ❖ C, C++
- ❖ HTML, CSS, JavaScript (Basic), React.js
- ❖ Python

### EDUCATION

- ❖ 3<sup>rd</sup> year CSE | PSGVPM's D N Patel college of engineering CGPA: 8.11
- ❖ XII | Kai. Sau. G. F. Patil Jr.college, shahada. 89.40% | 2021

### EXPERIENCE

- ❖ **Ex-intern @ CODSOFT** (22-Sept-2023)

Successfully completed projects including a portfolio, todo list application, and calculator.

- ❖ **Ex-intern @ Bharat Intern** (22-Sept-2023)

Successfully completed projects including a portfolio, Netflix homepage clone.

### ACADEMIC PROJECTS

- ❖ **Smart Attendance System using Face Recognition**  
In today's rapidly advancing technological era, traditional attendance methods in education seem outdated. Implementing an attendance monitoring system using face recognition algorithms can revolutionize this process, saving time and energy for students and teachers. The system, pre-fed with students' images, distinguishes faces from other objects, marking them present after real-time analysis. This innovative approach aligns with the efficiency and modernization needed in education, improving accuracy and streamlining the attendance-taking process.

### ACHIEVEMENTS / HOBBIES

- Attained 'Elite Gold' certification in Python from NPTEL's Online JOC Certification course.
- Certificate course in C, C++, Python, Html, CSS
